DECISION

ON PETITION UNDER

37 CFR 1.137(b)

Applicant's "Petition to Revive Abandoned Application Under the Provisions of 37 C.F.R. §1.137(b)," filed in the above-captioned application on 07 December 2005 is **GRANTED**.

Applicant states that the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional, as required by 37 CFR 1.137(b)(3). The appropriate national fee and petition fee have been submitted. A terminal disclaimer is not required as the application was filed on or after 08 June 1995. Accordingly, all requirements under 37 CFR 1.137(b) have been satisfied.

A signed oath or declaration was submitted during the international phase. However, as the declaration did not accompany the original submission, it was required to identify the international application to which it was directed. The declaration did not comply with the requirement.

This application is being forwarded to the National Stage Processing Branch of the Office of PCT Operations for continued processing in accordance with this decision, including the mailing of a Notification of Missing Requirements (Form PCT/DO/EO/905) indicating that an oath or declaration in compliance with 37 CFR 1.497(a)-(b) is required.
